

## Civil Society Observer Self-Selection Process for the Climate Investment Fund Committees

### LIST OF RESOLVE'S ADVISORY COMMITTEE MEMBERS

July 16, 2009

In April – May 2009, RESOLVE consulted with members of civil society on important criteria for Advisory Committee members and asked for suggestions of good candidates for the Advisory Committee (AC). We referred to these criteria and suggestions in identifying and extending invitations to potential AC members who were not themselves interested in filling the observer seats. The members listed below have generously volunteered their time to advise RESOLVE on the civil society self-selection process and its implementation during May – August 2009. We are grateful to the AC members for giving their time in the service of the civil society community in order to ensure that the selected observers are widely respected, legitimate, and chosen through a transparent and open process.
